

Terre d'Italia is a niche Italian wine and food shop and a unique entertainment space in the heart of St Helier at The Weighbridge. Our selection promotes regional wines and food.

EXPERIENCE AND ENGAGE

The two wine tasting experiences listed below are developed in partnership with Marco Baldini.

Marco is an accredited Sommelier (FISSAR) who worked at Riedel Group (covering Southern Europe), Enomatic (export in the EU, USA, Asia), and was a director of the largest wine store in Tuscany. Marco has extensive knowledge of the wine industry, and of course Italian wine.

Three years ago he founded the Wine Lovers Academy in Tuscany, an innovative format that aims to communicate wine culture in a friendly and engaging manner. Sommelier and expert of Tuscan history, he also writes for gastronomy magazines.

Marco had previously visited Jersey to present his Wine Tasting events at Terre d'Italia for the public in 2019.

This tasting experience does not require you to have any previous knowledge about wine, and our materials are designed in a friendly, visual manner to make participation as easy as possible.

Both tasting options require a minimum of 8 people.
